We regret that space does not permit us to list every Big Brothers Big Sisters donor. We are most grateful for the many loyal supporters whose gifts we value regardless of amount. Thank you for providing us with the means to continue our mission.

Jeremy Doughty is special to me because he takes me places that I have never been before. We love to go to new restaurants and try new foods. I get to meet a lot of new people and learn new things. He also teaches me about my culture, which means a lot to me. I look up to Jeremy and love the time we spend together. We also love to go to the book store and read and learn together. I hope we stay brothers for a very long time.

- Ryan (Youth)
