

Levels of Giving

Investments by donors impact lives. **Youth** are impacted through 1-to-1 mentoring relationships, **volunteers** are impacted by knowing they provided an adult role model to a youth, and **donors** are impacted by knowing they are making a sound investment with a proven ROI (return on investment).

Gifts at any level make an impact. Based on the level of giving, we are pleased to offer the following benefits to recognize and thank our donors. We have three annual events: Bowl for Kids (last Saturday in February), Golf for Kids (second Monday in June), and Taste of the Town (first Friday in November). Each level consists of inclusion in media, signage, program, etc. at the respective event(s) associated with the giving.

Items listed in the Benefits column vary based on the range of the contribution. Chef Showdown attendance based on availability. Donors also can choose to decline the benefits.
