We regret that space does not permit us to list every Big Brothers Big Sisters donor. We are most grateful for the many loyal supporters whose gifts we value regardless of amount. Thank you for providing us with the means to continue our mission.

I would like to say how glad I am that my little sister Jill Pena has Dawn Verhaagh as her Big Sister. Dawn brought so much joy to Jill. My sister talks about Dawn all the time. You can also see it when they are together. Jill's eyes just sparkle with a smile on her face. Together they have been through a lot of fun times. Jill is growing up and learning new things and Dawn has been there every step of the way since they have been together. It's like they have the same personality and have the same interests. They were matched perfectly. My sister is so happy when she is with Dawn; she tells me everything they do together such as spending quality time at Dawn's house. She tells me when they get their nails done. They did a triathlon together, and Dawn has taken Jill to the dentist. Dawn even came with Jill to the hospital when I had my baby. If you asked my sister what was the best day and time out of the week she would say "the day Dawn and I spent time together this week". Dawn is a good role model for Jill. She gets more of her homework done. Thank you so much that BBBS provides kids with something to look forward to.

Jill's Sister, Alicia Pena
